Benefiting Autism Society Central Virginia

[Home](#)

For over 25 years, the Autism Society Central Virginia, a 501(c)(3) nonprofit, has served as the region's premier source of education, advocacy, and support for individuals with autism spectrum disorder (ASD), their families and friends, and interested professionals.

To fulfill our mission to improve the lives of all affected by autism by maximizing the self-sufficiency, independence, and quality of life for all living with autism, the Autism Society Central Virginia established a 5K walk/run in 2002.

Held at the Innsbrook Pavilion, this family-friendly race includes entertainment, food, exhibitors, and a Kid's Fun Zone. The 5K Run/Walk is the Autism Society Central Virginia's primary source of income, raising nearly \$100,000 in May 2016. The funds raised here stay here!

Create a Personal Fundraising Page

Customize your personal fundraising page if you want a **personal** fundraising page. You do not need to do this if you only want to collect donations as a team. *Please note if you do not create a personal fundraising page, you will not be included in the individual fundraising contest, only the team fundraising contest.* You can edit this later if needed.

This is YOUR personal fundraising page, not your team page. Your donations on your personal page WILL also count toward your team's total donations if you have joined a team.

Thank you for visiting my fundraising page!

Donating through this website is simple, fast and totally secure. It is also the most efficient way to support my fundraising efforts.

Many thanks for your support -- and don't forget to forward this to anyone who you think might want to donate too!

Make A Donation While Registering

You can choose to make the first donation to your personal page. Again, if you have registered as part of team, or created a team – any donations to your personal fundraising page will also count toward that team's total donations.

Best Practice: Making the first donation to your page is the fastest way to jumpstart your fundraising, show your supporters you're committed and increase your overall raise!

Team Captains

First, congrats on being Team Captain! Team Captains are vital to our 5K! Way to go! Being the Team Captain you are able to:

1. Edit a team's name, description, and story.
2. Upload images. The first image is used as the team picture on the leaderboards thumbnail picture.
3. Hide donation amounts, dates, messages, and names. If all attributes are hidden, the entire panel is hidden.
4. Set and edit a Team fundraising goal.
5. Add/edit/remove a Youtube or Vimeo video.
6. Enable or disable comments.

As Team Captain, after completing your registration, you will receive an email from FirstGiving with the subject line – Team Captain Notification. That email contains the URL for your Team's Page. Make sure to keep that email for easy access to your team page. Your team page URL will look like this:
<https://www.firstgiving.com/team/> followed by a 6 digit number.

Team Captain

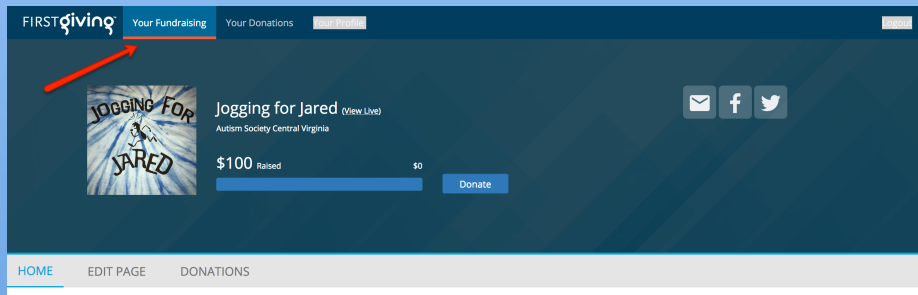

As a team captain, you may have two pages.

You can share your PERSONAL FUNDRAISING PAGE to ask for donations. Remember your fundraising is counted in your TEAM's Total as well.

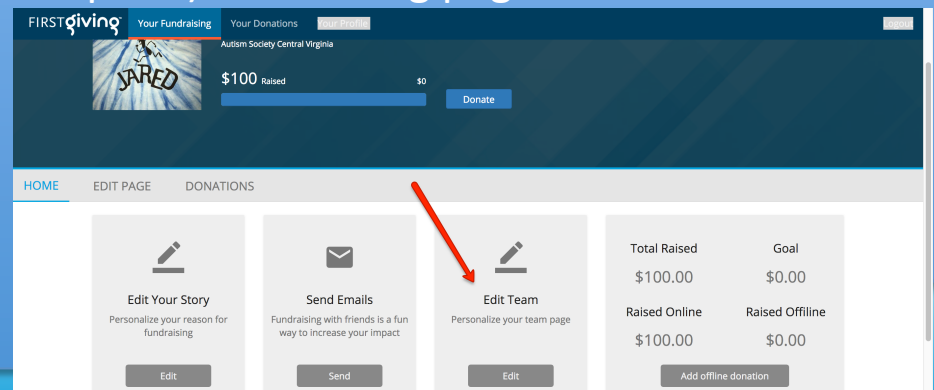

Share your TEAM PAGE to encourage other team members to join your team. People can also make donations to the Team in general from the TEAM PAGE.
