

Participate in our School Fundraising Challenge!

Our school fundraising challenge presents a wonderful service-learning opportunity. Funds raised will support autism education, awareness, and advocacy, and enable the ASCV to support individuals and families living with autism right here in our local community. We hope you will join us!

Step One: Sign up to participate

We welcome all ages and organizers, including student groups, clubs, and classes; teachers; PTA associations; school administrators; and more. Email development@ascv.org to let us know you're in!

Step Two: Decide fundraiser(s) to hold in April

We are here to help with fundraising ideas! We'll provide you with a great list of fundraising ideas and tips by age group.

Step Three: Fundraise!

A little friendly competition really gets the fundraising spirit going--challenge grade-levels, student clubs, or teaching teams to raise the most, and give a prize to the winner!

Step Four: Share your total and send funds to the ASCV office

Please report your total raised by Friday, May 3rd.
Turn in donations by Wednesday, May 15th.

Step Five: Prizes & Winners announced on Friday, May 17th

Participating in our School Fundraising Challenge is a great way to support our local autism community. You can also win great prizes!

- Each school raising at least **\$250 will receive a \$25 Amazon Gift Card**, given to the organizer to use at their discretion.
- Each school raising at least **\$500 will win a pizza party** for the top fundraising class or club (up to 25 people).
- The top fundraising school will also receive an engraved trophy, presented at their pizza party (must raise \$500 to qualify).
