

ASCV Membership Benefits Program Partnership Opportunity

The Autism Society Central Virginia (ASCV) has developed a new Membership Benefits Program for individuals with autism and their families, and we are looking for restaurants, businesses and organizations to partner with us to help create a more inclusive community for our families. A large part of the ASCV mission is improving the lives of all affected by autism, and through community involvement, we aim to maximize the self-sufficiency, independence and quality of life for all living with autism.

The ASCV is introducing an **ASCV Membership Card** to provide our members with various perks at community businesses and organizations. Whether it's buy one, get one free offer or a discount available to ASCV members, we are looking for community partners to join us in making Central Virginia more accessible to individuals with autism and their families.

By participating in this program as an **ASCV Member Benefits Program Sponsor**, and your business will receive wonderful recognition, including featured on:

- Member Benefits Program flier, emailed to each ASCV member regularly (400+)
- Membership Benefits page of our website (logo with live link)
- Monthly Membership Newsletter (logo with live link), sent to 3,000+
- Multiple social media posts

In addition to the recognition opportunities listed above, the ASCV has a loyal following and our families are located all over central Virginia. Our 400+ members will be excited to patronize the restaurants, businesses and organizations offering membership perks to ASCV families.

Please consider joining with the ASCV to provide those with autism and their families a more accepting and inclusive community right here in Central Virginia!
